GET Group Terms & Conditions

Prices in this catalog cancel all previous prices and are subject to change without notice. Payment should accompany your order until you have established an account with us. Contact our office for a credit application. We accept Visa, Master Card, Discover and Amex.

GET Group, Inc. will exercise due care to have all plants true to name. Nevertheless, we give no warranty, expressed or implied, as to the variety or productivity of the nursery stock we sell. Liability, in all instances, is limited to the purchase price. No liability is assumed by the seller for any delay or failure cause by wars, strikes, floods, droughts, embargoes, or any other contingencies beyond the seller's control.

We do our best to double check orders before they leave our nursery, but sometimes errors may occur. All claims regarding shortages, damaged plants, etc., should be made immediately upon receipt of plants. There will be a 25% restocking charge for all orders cancelled after the orders have been processed and are ready to be shipped or picked up. Also, orders which are returned or refused may also be subject to a restocking fee, unless it is an error on our part. Shipping and packing fees subject to change.

New and Noteworthy

Heucherella 'Catching Fire' PP31,605

This eye-catching beauty will brighten up your stands throughout the season. Lime green leaves surround flames of intense, dark red and remain evergreen in most zones. It likes a little shade and is heat and humidity tolerant.

- See pages 30-31

Heucherella 'Pumpkin Spice' PP29,925

A brilliant pop of burnt orange and mahogany defines this dazzler, and it lasts year round in most climates. This villosa hybrid is more tolerant of heat than other heucherellas, and it looks stunning just about anywhere including shade gardens, containers, and borders.
